Fire Hydrant Meter Agreement

Jackson Energy Authority (JEA) agrees to furnish a fire hydrant meter for use at:

(Address) _____

Customer is required to provide a deposit for the meter dependent upon size of meter

1" Meter _____ \$200 _____ (customer initials)

3" Meter _____ \$1,375 _____ (customer initials)

Customer can pick up FH Meter at 185 Meadow Street, Jackson TN 38301

Hours of pick up at JEA Meter shop are 8:00 a.m. - 3:00 p.m.

The charges for the use of the meter will be based on the G-1 rate with a minimum bill based on the meter size. The monthly minimum will be the minimum bill or the actual consumption, which of the two is highest.

Additionally there will be a one-time billing and handling charge of \$50 for each meter (charge can be waived if customer picked up meter). The charge will be added to the customer's first bill. The customer will be responsible for notifying JEA when they want to discontinue the use of the meter.

In special cases where fixed meter locations are not feasible, the customer agrees to furnish monthly reading to JEA. The customer agrees to provide monthly meter readings no later than the 25th of each month. The number to call is **731.422.7274** or email the readings to **billing@jaxenergy.com**. The customer agrees to make the meter available for JEA service personnel upon demand. Failure to provide the meter readings as required may result in a Diversion of Service Charge in the amount of \$150 to be added to the customer's account.

The customer agrees to deliver the meter to JEA annually and no later than November 15th of each year for the **annual inspection** of the meter. Failure to provide the meter for inspection may result in a Diversion of Service Charge in the amount of \$150 to be added to the customer's account.

The customer agrees to be responsible for theft, damage (including damage resulting from weather) or loss to the meter as long as the meter is assigned to the customer.
