(continued on back)

MINIMUM MONTHLY BILL

During the summer season, May to September inclusive, there will be no customer charge, and no bill rendered until the charge for gas consumed since the last bill shall equal or exceed the above stated customer charge.

The Authority may require a minimum bill higher than that stated above.

PAYMENT

Bills under this rate schedule will be rendered monthly. Any amount of bill unpaid after due date specified on bill may be subject to additional charges under Jackson Energy Authority's standard policy.

CONTRACT REQUIREMENT

The Authority may require contracts for service under this schedule.

SINGLE-POINT DELIVERY

The above monthly rates are based upon the supply of service to the customer's premises through a single delivery and metering point, and at a single pressure. Separate supply for the same customer at other points of consumption, or at different pressures, shall be separately metered and billed.

Service under these schedules is subject to Policies and Procedures of the Jackson Energy Authority.
