One thing you can count on.

JEA Service Termination Letter

Request for JEA utilities to be disconnected and removed. (kill letter)

Please kill all JEA utilities at the following address: _____

In doing this all the utilities will be removed completely and I understand that if and when I build back I will have to pay to get utilities reinstalled.

This process will be complete within 7-14 business days pending weather.

Thanks,

Please remember that before services can be killed at a premise a letter from the owner of the property requesting that all services to be killed must be mailed to Jackson Energy Authority, Attn: JEA Service Termination, 185 Meadow St, Jackson, TN 38301, faxed to 731.422.7402, or emailed to JEAServiceTermination@jaxenergy.com. Questions can be directed to the email address or call at 731.422.7447. Work to kill the service(s) will begin 7-14 business days after the letter is received.
