Jackson Energy Authority

**Propane Rate Change, effective September 1, 2024**

Effective September 1, 2024, the ProGas® metered service will be \$2.45 per gallon.

For ProGas® bulk customers, as of September 1, 2024, bulk service will be \$2.43 per gallon.

The metered rate will not be increased through August 31, 2025. The monthly customer charge for metered service will remain at \$4.00/month for October through April billing, and tank rent for non-metered service will continue to be \$42.00/year.
