The undersigned hereby makes application for the utility services at _____ and agrees to pay for said services as measured by the Jackson Energy Authority (JEA) meters according to rates applicable.

The applicant agrees to permit authorized agents of the JEA free access to the premises of the consumer for the purpose of inspecting, reading, repairing or removing property of JEA. The applicant agrees that any cost involved in collection of past due balances on this account including, but not limited to, collection agency fees, attorney fees and court costs will be paid by the applicant.

JEA shall have the right, but shall not be obligated, to inspect any installation before Electric, Gas, Water and/or Wastewater service is introduced, or at any time, and reserves the right to reject any wiring or piping. JEA will not be liable or responsible for any loss or damage resulting from defects in the installation, wiring, piping or appliances, or from violation of JEA Rules and Regulations, now in force or those which may hereafter be adopted, or from accidents which may occur upon customer's premises.

The applicant agrees that this application is subject to the JEA Rules and Regulations, now in force or as may be adopted, copies of which are open for inspection at the business office of JEA; and that such Rules and Regulations are a part of this Agreement and incorporated herein by reference.

Telecommunications Standard Installation Waiver: If telecommunications services are requested, I understand that an installation fee of \$100.00 will be waived only if the service is retained active in my name for a minimum period of twelve (12) months continuous service. Early termination prior to the twelve (12) month period will result in the fees being applied to my final telecommunications bill.

E911 Battery Backup: If telephone services are requested, I understand that a battery backup will be installed by JEA in the equipment box which terminates JEA's fiber network, generally located on the outside of the home or business. This Battery Backup enables your JEA telephone service for E911 calls to function during a power outage for approximately 8 hours. The backup battery should give you 6 hours of talk time. In the event of an outage, limit unnecessary phone calls to preserve battery life. As part of your service, we maintain your backup battery on your behalf, and will replace any nonfunctioning battery at no cost to you. A 24-hour battery backup is available for an additional cost. Call 422-7500 to order.
