

**JACKSON ENERGY AUTHORITY
RESIDENTIAL CABLE TELEVISION RATE SCHEDULES**

AVAILABILITY – GENERAL

These schedules are available to residential customers for domestic use in single family or multiple dwelling units where the resident maintains an individually billed electric service account by Jackson Energy Authority or any other utility provider. Private dwellings in which space is occasionally used for the conduct of business by a person residing therein will be served under this rate schedule. Where a portion of the private dwelling is used regularly for the conduct of business, the General Service Cable Television rate schedule shall apply. The Residential Cable Television rate schedule shall not apply to multiple dwelling units, such as apartments, nursing homes, dormitories, clubs, fraternities, orphanages, boarding houses, or other such facility where the electric service is bulk billed to the owner of the building.

Cable Television service under this schedule is for the exclusive use of the customer and shall not be resold or shared with other residential customers.

BILLING UNITS

Cable Television service under this schedule shall be billed on a monthly basis in arrears.

RATE SCHEDULE R-1

Rate Schedule R-1 is available to residential customers located within Madison County, Tennessee.

RATE DISCOUNTS

The rates above are maximum monthly rates for a la carte service with no Minimum Service Term. Rates for monthly programming services, customer premise equipment, and/or installation charges may be discounted within packages and service combinations, or for customer acquisition promotions. Minimum Service Terms may be required to obtain discounts and Early Termination Fees may apply if Minimum Service Terms are not met. Such Minimum Service Terms and Early Termination Fees shall be applied to all customers in a consistent manner.

PROGRAMMING COST RATE ADJUSTMENT

Rates for programming service categories and customer premise equipment (that feature digital music services and electronic program guides) may be adjusted quarterly by the amount of the increases in the cost of programming for existing programming services or for new programming services added to a category of service.

MINIMUM BILL

The minimum monthly bill under this rate schedule shall be for Analog Basic Cable Television service, plus any fees, taxes, or other required charges by governmental or regulatory agencies.

CONTRACT REQUIREMENTS

Jackson Energy Authority shall not require contracts for regular a la carte services. However, Jackson Energy Authority may require Minimum Service Terms for discounted service packages in combination with other cable television or telecommunication services offered by or through Jackson Energy Authority. Early Termination Fees may apply if Minimum Service Terms are not met. Such Minimum Service Terms and Early Termination Fees shall be applied to all customers in a consistent manner.

PAYMENT

Bills under this rate schedule will be rendered monthly for service received during the prior month. Any amount of the bill unpaid after the due date specified on the bill may be subject to additional charges under Jackson Energy Authority's standard policy.

JACKSON ENERGY AUTHORITY

RESIDENTIAL INTERNET SERVICE RATE SCHEDULES

AVAILABILITY – GENERAL

This schedule is available to residential customers for domestic, non-commercial use in single family or multiple dwelling units where the resident maintains an individually billed electric service account by Jackson Energy Authority or any other utility provider. Internet service requires subscription to cable television service or telephone service provided through Jackson Energy Authority. Internet service under this schedule is for the exclusive use of the customer and shall not be resold or shared with other residential customers. Internet service is subject to Jackson Energy Authority’s Acceptable Use Policy, which may be amended from time to time. The Acceptable Use Policy will be published on Jackson Energy Authority’s website.

BILLING UNITS

Internet service under this schedule shall be billed on a monthly basis in arrears.

* Customer must subscribe to Home Area Networking service, and equipment remains the property of the Authority.

**Installations in excess of 150 feet from the nearest tap will be charged a surcharge for the cost of the excess footage.

RATE DISCOUNTS

Rates for Residential Internet services, hardware, and/or installation charges specified above are maximum rates and may be discounted within bundled service combinations or during marketing promotions. Minimum Service Terms may be required to obtain discounts and Early Termination Fees may apply if Minimum Service Terms are not met. Such Minimum Service Terms and Early Termination Fees shall be applied to all customers in a consistent manner.

MINIMUM SERVICE REQUIREMENT

Residential Internet service requires subscription to at least one other telecommunications and/or cable television service, or subscription to an internet service with a minimum monthly fee of no less than \$50.00. ACP rates excluded.

INTERNET RATE ADJUSTMENT

Rates for Residential Internet service and non-recurring installation and service charges may be adjusted annually to offset increases in operating support and transport charges.

CONTRACT REQUIREMENTS

Jackson Energy Authority shall not require contracts for regular a la carte services. However, Jackson Energy Authority may require Minimum Service Terms for discounted service packages in combination with other cable television or telecommunication services offered by or through Jackson Energy Authority. Early Termination Fees may apply if Minimum Service Terms are not met. Such Minimum Service Terms and Early Termination Fees shall be applied to all customers in a consistent manner.

PAYMENT

Bills under this rate schedule will be rendered monthly for service received during the prior month. Any amount of the bill unpaid after the due date specified on the bill may be subject to additional charges under Jackson Energy Authority's standard policy.
