One thing you can count on.

Termination Letter

Request for JEA utilities to be disconnected and removed. (kill letter)

Please kill all JEA utilities at the following address: _____

In doing this all the utilities will be removed completely and I understand that if and when I build back I will have to pay to get utilities reinstalled.

Takes 4-10 work days due to Tennessee One Call having to be notified first.

Thanks,

Please remember that before services can be killed at a premise a letter from the owner of the property requesting that all services to be killed must be mailed to Jackson Energy Authority, Attn: Kill Service Request, 250 North Highland Avenue, Jackson, TN 38301, or faxed to 731.422.7582, or emailed to sballinger@jaxenergy.com. Work to kill the services will begin 4-10 days after the letter is received.
