5/8" Meter - \$11.93 per month	1 1/2" Meter - \$21.60 per month
1" Meter - \$16.59 per month	2" Meter - \$38.71 per month

Where more than one house, building or structure used for living, eating or sleeping quarters uses water through a common meter; or in houses occupied by more than one family and in apartment houses where water is measured by a common meter, the minimum monthly bill shall be \$11.93 times the number of families served through each common meter, and the total charge for such service shall be billed under the above rate schedule as if each family unit were separately metered.

**PAYMENT**

Bills under this rate schedule will be rendered monthly. Any amount of bill unpaid after due date specified on bill may be subject to additional charges under Jackson Energy Authority's standard policy.

**SINGLE-POINT DELIVERY**

The above rates are based upon the supply of service through a single delivery and metering point. Separate supply for the same customer at other points of consumption shall be separately metered and billed. Service under this classification is subject to Rules and Regulations of the Authority.

Effective October 1, 2022
